

OVER 100 KILLED AT SAN JOSE AND AGNEWS

OAKLAND, California, April 28.—General Greely reports that at Agnews Insane Asylum, and San Jose, the dead will number 117. The first electric car that has been run in San Francisco since the earthquake was started yesterday, in charge of Mayor Schmitz as motorman.

FIRST CABLEGRAM FROM STANFORD.

The following cablegram was received by A. Lewis, Jr., from Stanford yesterday:

"Quadrangle mostly intact. Tall Buildings wrecked. Stanford spirit adequate."

This is probably from David Starr Jordan, to whom Mr. Lewis, who is one of the earliest graduates of Stanford, sent a cablegram of inquiry as to his alma mater on Monday last. It is the first news that has come from Stanford direct since the disaster of April 18, and still leaves something to be desired, inasmuch as there is no detail as to loss of life. The cablegram sent by Mr. Lewis was as follows:

"To President Jordan, Stanford University: Any Honolulu students injured? What buildings destroyed? A. LEWIS, Jr."

CONGRESS GIVES MONEY FOR NAVAL EXPENDITURES.

(Associated Press Cablegram to the Pacific Commercial Advertiser.)

OAKLAND, California, April 28.—A Washington dispatch says that the House of Representatives has passed an Emergency Appropriation Bill carrying an item of \$117,000 for naval expenditures at San Francisco.

THE FIRST PERMIT FOR SKYSCRAPER

OAKLAND, California, April 28.—The Board of Public Works has issued the first permit for the erection of a twelve-story building. The total of relief subscriptions is now five and one-half millions of dollars.

One hundred men yesterday began removing debris at Stanford.

THE ADVERTISER'S SPECIAL CONFIRMED

It will be remembered that in the Advertiser's special story of the San Francisco disaster, received in Honolulu last Sunday night and printed on Monday morning, it was stated that the Agnews Insane Asylum had collapsed, and that many of the unfortunate inmates of the place had probably been killed. This information is borne out by the statement of General Greely, as is likewise the statement made in other dispatches relative to the damage done at San Jose.

Indeed, the force of the shock seems to have been felt along a line extending in a general southerly direction from San Francisco, on both sides of the bay, and the afternoon cablegrams of the Associated Press were likewise confirmatory of the Advertiser's special in the statement of the great damage that had been done at Salinas. Doubtless the loss of life in the outside towns has been very considerable, although little will be known of this here until fuller accounts are received by mail.

The statement that a permit has been issued for the erection of a twelve-story building in San Francisco does not indicate that the sky-scraper type is to be abandoned because of the earthquake.

RAIN AT SAN FRANCISCO CAUSES MUCH DISCOMFORT.

(Associated Press Cablegrams—Afternoon Service.)

OAKLAND, April 27.—A rainfall last night at San Francisco caused considerable discomfort among the inhabitants of the refugee camps.

The Chinese who were rendered homeless by the fire, are temporarily located at the north end of Van Ness avenue.

Efforts are being made to prevent wholesale firms from removing their business from San Francisco to Oakland.

GREAT DAMAGE AT SALINAS.

SALINAS, Cal., April 27.—A million dollars damage was done here by the earthquake shock of April 18. There were two more shocks yesterday. No damage was done.

WILL PAY SAN FRANCISCO MONEY ORDERS

While the banks and express companies are most probably in a chaotic condition in San Francisco, the money order department of the postoffice there is working uninterruptedly. Those sending funds to friends in that city should keep this in mind. There was considerable doubt expressed as to whether this department would be in a position to do business right along, and to make sure Postmaster Pratt cabled to San Francisco for advice. Yesterday he received the following reply:

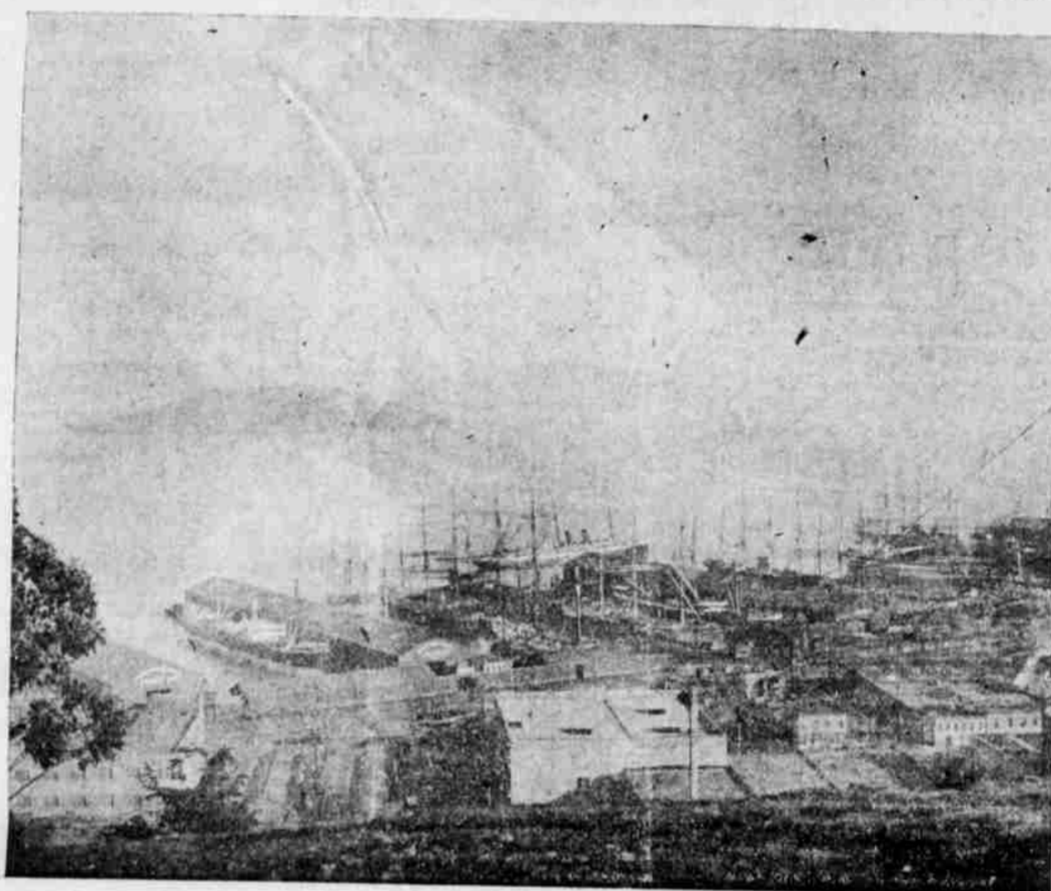

"All postoffice money orders drawn on San Francisco will be paid on presentation."

WINGATE LAKE LOSES EVERYTHING

By a curious combination of unfortunate circumstances, H. Wingate Lake, formerly manager of the Alexander Young Hotel, and recently manager of Tait's Cafe, or the Cafe Fiesta as it was known latterly, has been burned out twice in San Francisco on the same ground. First, while manager of the Baldwin Hotel, and on the 18th instant, while manager of Tait's, Tait's was located in the new Flood Building, on the site of the Baldwin Hotel block. Mr. Lake cables to friends here that he lost everything this time.

AMERICAN-HAWAIIAN S. S. DOCK'S 23 AND 25 AT SAN FRANCISCO WHICH ARE REPORTED IN TACT—STEAMER NEVADAN AND SCHOONER ALOHA IN BERTHS.

SAN FRANCISCO, April 29— After tonight, lights will be permitted in all houses until 11 o'clock.

Apparently, the fear of fire is passing from the minds of those in authority in San Francisco. It will be remembered that the earlier cablegrams from the scene of the disaster stated repeatedly that there were no lights in the houses left standing, and that no fires were permitted, even for cooking purposes, the citizens being compelled to prepare their meals at common open fires in the streets. The precaution was understandable, in view of the fact that the gas mains were broken, and there was constant danger from this source, and from the presence of combustible stuff in the ruins and in the houses left standing. Apparently, life is getting back to something like the normal plane in the stricken city, and people are commencing to live once more free from the apprehensions that must have beset them ever since the earthquake shock on the early morning of April 18.

(Associated Press Cablegram—Afternoon Service.)

OAKLAND, April 28.—The S. S. Alameda will sail tomorrow, April 29, for Honolulu. She will be the first vessel to leave for Honolulu since the disaster.

Sightseers are looking over the ruins in San Francisco. The soldiers have been ordered to shoot all those caught looting. Car fares are to go to the relief of those burned out. All the libraries of the city were destroyed.

NEW YORK PRICES.

Hamilton Odell, the lawyer, lunches at the Lawyers' Club sometimes. One day when he was dining alone, taking the order slip from the waiter, he wrote:

One oyster stew.
Not much milk.
It is the custom at the Lawyers' Club to return the order slips which the members have written, with the amounts of the different items filled in, and at the end of the month is question Odell received his slips and took them home with him.
After dinner he started to look through them, and while idly turning them over came across this one:

One oyster stew.....\$ 0.50
Not much milk.....10
\$ 0.60

GENEROUS RESPONSE

(From Sunday's Advertiser.)

The contributions to the San Francisco relief fund are now coming in from the other islands, and, as was the case among the Honolulu subscribers, there has been a ready response to the requests of the soliciting committees. Yesterday Hilo, Lahaina, Kahala and Waikuku were heard from, the collectors asked to serve by the Territorial committee at those points announcing a total of at least \$1500, part of which was forwarded.

Carl S. Smith, of Hilo, writes to Secretary Wood that in the neighborhood of \$1000 has been raised by him with the assistance of Judge Parsons. This sum is for the most part subscribed among the employees of the Hilo business houses, as the headquarters for these firms are principally in Honolulu, where the firm subscription has been made.

From the employees of the Pioneer Mill Co., at Lahaina, Maui, A. Halberg sent a draft for \$248.50, with a letter stating that a larger amount would have been forthcoming had there been more time allowed for the canvass. He will forward any additions to the subscription list.

The subscriptions from Waikuku will be sent forward on the Claudine, C. B. Weller, chairman of the Waikuku committee, writing that funds were being collected at that point.

A money order for \$73.50 has been received from H. L. Holstein, of Kohala, who says that there will be more to follow on the next steamer, when the list will be forwarded.

CONSUL UYENO THANKS HONOLULU

Immediately after the decision arrived at by the Executive Committee of the Honolulu Relief Committee to instruct J. F. Morgan to place \$3750 of the fund at the disposal of the Japanese Consul at San Francisco for the relief of Japanese there, C. Shiozawa, proprietor and editor of the Hawaii Shippo, cabled the fact to Consul K. Uyeno at his Piro street residence, and advised him to see Mr. Morgan upon his arrival at the Oakland office of Alexander & Baldwin. Yesterday morning Mr. Shiozawa received two cablegrams signed by Mr. Uyeno, one of which read as follows:

"C. Shiozawa, Editor Hawaii Shippo, Honolulu.
"Many thanks for the unbounded kindness of the good people who contributed \$3750 to our relief."
(Signed) "UYENO."

A message was received at Hilo, at 6 p. m. Sunday, stating that J. W. Mason and family in San Francisco were safe.

Brainerd H. Smith has received a cable from the Hilaigo Plantation and Commercial Co. saying that their loss is slight and the records are all safe.

Emil Berndt, manager of W. W. Dimond & Co., received the following cablegram yesterday afternoon:

SAN FRANCISCO, April 27.—All well. Will resume.

NATHAN, DOERMANN & CO.

A cablegram received from Jared Smith yesterday stated that he will return to Honolulu on the Moana, reaching here from Vancouver May 15th. The cablegram was from Spokane, Washington. Mr. Smith had intended to come home on the Mangolia, but stopped over at Lincoln, Neb., and by that probably missed being in San Francisco at the time of the earthquake.

LAMB BACK

This ailment is usually caused by rheumatism of the muscles and may be cured by applying Chamberlain's Pain Balm two or three times a day and rubbing the parts vigorously at each application. If this does not afford relief bring on a piece of Band-Aid slightly dampened with Pain Balm, and quick relief is almost sure to follow. For sale by Nelson Smith & Co., Agents for Hawaii.

GENERAL A. W. GREELY.

CHINESE CONSUL THANKS GOVERNOR

Chang Tso Pan, the Chinese Consul has expressed his thanks to Acting Governor Atkinson for his efforts to aid in the relief measures adopted by local Chinese organizations for the benefit of San Francisco Chinese. In the following letter:

Chinese Consulate, Honolulu, Hawaii, April 26, 1906.

His Excellency A. L. C. Atkinson, Acting Governor of the Territory of Hawaii and Chairman, Executive Relief Committee, Honolulu, Territory of Hawaii.

Sir: I, as a representative of His Imperial Chinese government, respectfully beg to acknowledge the generosity and charitable disposition manifested by the members of the Relief Committee of Honolulu, who have generously contributed sums of money to be distributed by the generous friends of the Territory of Hawaii of the Relief Fund to the care of the Chinese Consul in San Francisco in aid of my countrymen, who were rendered destitute by the terrible earthquake and destruction of their homes and property by fire.

I hereby beg to express with many thanks of my deep gratitude and sincere appreciation to you all. I am sure the whole Chinese community of this place is in full accord with me in this deep feeling of thanks to their American and other friends.

I have the honor to be, Sir,
Your Excellency's obedient servant,
CHANG TSO PAN,
H. I. C. M. S. Consul.
